Dear Friends,

What a blessed time this Cruise will be! ... having special friends & family to help me celebrate my 70th birthday. God has been faithful to me ... now 30 years of full-time ministry.

These 4 days can be a wonderful get-a-way for you & your husband/wife/friends ... you will also have the opportunity to meet new friends ... (Christian brothers and sisters you did not have to wait to get to Heaven to meet) ☺ You can do as much or as little as you want. Relax on the lovely ship ... go ashore to spend a day in San Diego exploring the city ... (I plan to go to Sea World – I love the Shamu Show! ☺) ... the next day, enjoy the beauty of Catalina Island ... and shop, shop, shop the last day in Ensenada, Mexico ...

I am choosing each night the early dinner seating and you are welcome to join me ... the more the merrier ☺ It will be wonderful having friends to eat with ... Allllllll that food! ☺

Remember to bring your work-out clothes ... if you want to take advantage of the full gym onboard ... or you might just choose to walk the deck of the ship ... remember allllll that food! ☺

I realize that for many of you ... this will be a romantic cruise and you may wish to be alone. That's great! However, on Wednesday, April 30th, my Birthday, please choose the early dinner seating, because we have a large room available for a Special Party beginning at 8pm. You will not want to miss it! There will be lots of fun. Skits ... Singing ... Comedy ... Jewish and Hula Dancing ... even a Roast (Do you have a funny Lillie story? ... Is there something you have wanted to say to me but were afraid? Well, you may say it that night ☺). There will be cake ... ice cream and beverages plus an inspirational talk to close the party & of course - Prayer.

Please call soon to book your space, as the ship fills up quickly ... especially the middle part of the ship. The deposit is \$200 per cabin to reserve your space. If you would like side by side cabins, call ASAP ... all subject to availability and I don't want you to miss coming along for my 70th Birthday Celebration.

My tip to you, who have not "cruised" before ... you might think of taking a motion sickness pill ... most folk are okay, but each time I go on a cruise I simply take a small BONINE tablet each day of the cruise and I have always been fine.☺

Please No Presents

(although I'd really appreciate a card) ☺

Love you, *Lillie*
